15 March 1950

Dear Admiral:

Enclosed is a copy of a letter from a former Californian who has spent a considerable period of time in Indonesia. It presents a little different point of view than one is apt to see in print these days. While it is obvious that he is critical of the present government set up in the United States of Indonesia I thought that you might be interested in his comments nevertheless.

Sincerely yours,

signed

William F. Knowland
